arnie@arniebernstein.com • 773-339-4547

Specializing in all aspects of editorial support, developing content, ghostwriting, grant & speech writing, writing coach and teacher.
Making your story the story that matters.

Arnie Bernstein is passionate about your story and telling to with maximum impact for all your needs. With over two decades experience as a writer and writing teacher, Arnie's job is to give your words shape and form, pulling together a powerful narrative that engages readers.

He works hard to establish trust and bring your unique voice to the page. As an internationally published nonfiction writer, writing teacher, editor, and writing coach, with 20+ years in the business, Arnie has unlimited expertise to help you reach your goals in business, nonprofit work, and ghostwriting.

Arnie has worked as a business journalist for publications in Chicago and London, England. Other writing includes ghost writing for nationally prominent clients, award-winning marketing campaigns for higher education, grant writing, speech writing, and publicity work.

Arnie provides you with multifaceted editorial services, including:

- All aspects of editorial process from creating content to final draft
- Ghostwriting that brings your voice to the page
- Enriching your distinctive message through engaging storytelling
- Writing teacher & coach
- In-depth research to support editorial content
- Speechwriting & grant writing
- Developing & hosting seminars/panel discussions

Arnie's insights and talents are sought out for panel discussions, speeches and presentations, and individual coaching. He has participated in conferences and presentations in the United States and England. Arnie's expertise as an educational speaker has been utilized by such institutions as Northwestern University, DePaul University, University of Illinois-Chicago, plus other colleges, libraries, and private venues.

Your story has power. Arnie Bernstein will help you bring that story to audiences for maximum impact.
